Dear Sir,

Requesting Permission & Assistance to Collect Data for the Final Year Research Project

SLIIT is a leading Degree Awarding Institute in the field of Computing, Engineering and Business Management approved by the University Grants commission of Sri Lanka and is a member of the Association of Commonwealth Universities (U.K).

As a part of our BSc Special (Hons) degree programme, final year (4th year) students are required to do a software development and dissertation based on a research study under the "Research Project" module. The following mentioned students, who are undergraduates of SLIIT Faculty of Computing, in their 4th Year, 1st semester, are seeking an opportunity to collect necessary data related to their research project titled "*Multimodal Computational Intelligence for Enhancing Caregiver Performance and Care Delivery* ". Hence, I shall be very much thankful if you could support these students with the necessary information to complete their research project, please.

The names and the student registration numbers of the aforesaid students are as follows:

Student Name	Reg. Number	Email
Dayana Priyadharshani Kumar	IT22178640	IT22178640@my.sliit.lk
Harishalinee Elangovan	IT22057488	IT22057488@my.sliit.lk
Vidursha Prabagaran	IT22294098	IT22294098@my.sliit.lk
Kaushalya Nagenthraraja	IT22289384	IT22289384@my.sliit.lk

The data/information gathered will be used only for academic purposes and will be treated in the strictest confidence. Please do not hesitate to contact me if you wish to get any further information in this regard.

Thanking you in advance for your kind cooperation in this regard.

Yours sincerely,

Prof. Samantha Thelijjagoda
Senior Professor
Department of Computer Systems Engineering
Faculty of Computing
Sri Lanka Institute of Information Technology

Prof. Samantha Thelijjagoda, Supervisor of the project

Professor in Information Systems Engineering Sri Lanka Institute of Information Technology
